Post-Expiration Domain Name Recovery PDP WG

Update

Alan Greenberg – WG Chair

Background

- To what extent should registrants be able to reclaim their domain names after they expire?

- PEDNR PDP WG was formed in July 2009

- PEDNR WG examines five questions relating to expiration and renewal practices and policies

- WG is expected to make recommendations for best practices and / or consensus policies

Initial Report

- Published in May 2010
- Results of registrar survey
- Overview of WG deliberations
- Compliance information
- Results of WG survey outlining options for further consideration
- No recommendations included

Public Comment Forum

- Traditional comment forum as well as opportunity to respond to survey

- Nine community submissions to comment forum and 412 (!) responses to survey

- WG has reviewed and analyzed submissions as well as survey responses

WG Survey Results

Name	Const.	Other warnings		Change WHOIS		Post Exp Notice
Alan	At-Large	CP		Yes		CP: 2+
Cheryl	At-Large	CP		Yes		CP: 1+
Glenn	At-Large	CP		Yes		CP: 2+

User Survey
Number of Warning Notices

# User Survey - Days Post-Expiration Guaranteed Renewal

Recent Developments & Next Steps

- WG has compiled proposed recommendations received from WG members as well as SGs and is determining level of consensus

- Among those on the calls, there has been a remarkable level of agreement on *MOST* issues.

Recommendations under consideration

- Recommendations may include:
  - Proposals to provide registrants with guaranteed right to recover registration following expiration
  - Specific requirements for when and how many notices are sent prior to expiration.
  - How domains behave post-expiration
  - Exception process
  - RGP as a consensus policy (most Registries and all Registrars)
