ICANN 39 | 5-10 December 2010

Cartagena de Indias, a city which transfers us back to history when it was the epicentre of regular attacks from pirates and bucaneers, defending their walls with admirable heroism which gave this city the name of "Cartagena, La Heroica". Within these walls you will find the Historical Centre of "Cartagena". In 1984, Cartagena's colonial walled city and fortress were designated a **UNESCO World Heritage Site**. Today, Cartagena is the fifth largest urban area in Colombia, and a centre of economic activity in the Caribbean region. **More ...**
